Families will receive a tote bag with resources and goodies to bring home!

The goal of Family Learning Vacation is for families with deaf and hard of hearing children to have a fun weekend together AND provide information to the families so they may be the best possible advocates for their children. We also hope to enable these families to develop relationships with other families who have children who are deaf or hard of hearing so they may be resources for each other. Family Learning Vacation is open to any family whose child is deaf or hard of hearing up to age 21. Families are encouraged to attend regardless of where their child goes to school and regardless of how the child communicates.
